<p>We attach herewith four documents constituting the four parts of the Senate sub-committee's hearings on S. Res. 234, "Wiretapping, Eavesdropping, and The Bill of Rights". The parts are dated 20 May, 22 May 1958, and 9 July 1959 (the last two parts are the same date). This is apparently the report desired by the local Attorney General. We have inquired of several KUBARK components regarding possible additional material on the same subject, but find nothing which meets the definition "authoritative U.S. publications". There has been much individual and newspaper comment on this controversial topic, of course, but the present attachments appear to be the only appropriate material available.</p>
